Sir,

**Sub: Introduction of Endowment Lecture in the name of Smt. Lalitha
Kunichetty Palepu**

Greetings from us to the students and staff of D.K.Govt. College for Women, Nellore:

After having gone through the mail from Dr.K. Padmaja, In-charge, Department of English of your college, I'm glad that an annual academic activity on endowment basis is proposed in the name of my wife Smt. Lalitha Kunichetty Palepu, former Lecturer in English at D.K. Govt. College, which will benefit several batches of women students.

I want to contribute an amount of Rs.2,00,000/ with an understanding that the interest accrued on the amount will be spent annually on the Endowment lecture in her memory. I would like the programme to be conducted by the Department of English and continued as a part of your regular activities.

I want this lecture to benefit a maximum number of students. The broad area of the lecture shall be "21st Century skills for students" focusing on areas like Critical Thinking Skills. The lecture should be delivered by an eminent educationist and a professor with substantial contribution to the field of teaching, and should focus on an area that will improve the thinking and learning skills of all the students of the college.

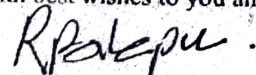

I wish that all the guidelines and procedures followed in conducting such Endowment Lectures will be duly followed and a memento and honorarium will be presented to the speaker in the name of my wife Smt. Lalitha Kunichetty Palepu from the interest accrued every year.

I also suggest that the lecture may be scheduled for one of the following dates considering availability, schedule convenience, weekends and holidays.

1.27th of December
2.23th of July

I will be glad if you can intimate us in advance so that we can also try to attend the programme.

With best wishes to you and Dr. Padmaja,

Ramakrishna Rao Palepu

PS: Please advise bank details to transfer the amount.

Dear Sir,

Greetings from the entire family of D.K.Govt. College for Women, Nellore.. Hope you and your family are doing well. Has your daughter joined in her graduate course. Hope she is getting on well with her studies.

It has been a while since I wrote to you. For almost a year I have been very busy with guiding the college for accreditation. Now, the college continues with A grade in its accreditation. However I often think about the support that you have given to the students of the college. The amount that was given by you is spent even this academic year on a poor student of B.A.Communicative English. She is V V Madhuri and the amount has been spent judiciously to the last rupee. My students, Principal and I often think of and thank your kindness.

Here again I come with a request to you sir. The college has been working hard and striving towards excellence. Because of these efforts first year admissions which were around 250 in 2017 have risen to 470 this academic year. Our Principal is a very dedicated leader and academician who relentlessly strives towards the development of college. Hence, I place before you a request that the college plans to initiate Smt Lalitha RamaKrishna Memorial Endowment lecture. This will take place every year on the date suggested by you. Eminent academicians in the field will be invited for the purpose. For this activity to take place, I humbly request you to donate an amount and the interest on the donated amount will be utilised for the mentioned purpose annually. This initiative will immensely help scores of the students of the college and Lalitha Ma's name will be etched permanently in the history of D.K.College. If executed this will be the first such initiative in the college. Moreover this kind of initiatives will help in making the college Centre of Excellence and such an identity will fetch more funding from the funding agencies.

Hence I plead with you to kindly consider our request and respond favourably.

Thank you

Dear Dr.K. Padmaja Garu,

Thank you for your email. Would it be best for you all if I transfer the amount in Indian Rs. or in Dollars? I am still thinking about it and debating whether it would be more beneficial to use the accumulated interest towards a lecture or towards giving a poor girl education. Due to distance time and other factors I am currently helping the needy in various ways here locally in Lalitha's name.

Thank you best regards,
