TOPIC: 1.WOLLEN CRAFTS – THE BEAUTIFUL ART THAT IS FORGOTTEN

Woollen crafts ...before explaining the beauty of this art , it all take us back to the times when of this art, it all take us back to the times when our mothers weave tiny clothes for us with lots of love and care..Every time we think about these softies it never seem like an art done for appraisal or money. It is done with curiosity, filled with affection that is how these woollen crafts hold a special place our heart.

- Woollen crafts :
- The handmade woollen crafts are gives aesthetic beauty to the place where decorated.
- These woollen crafts are made with less expensive.
- Patience is most important aspect while making these woollen crafts.
- In ancient days , people given more importance to the woollen crafts than now -a-days.
- Mostly in winter and monsoon season; people think of woollen fabrics to feel warm.
- Thus woollen crafts plays a major role in human life to feel warmth.

TOPIC: 3

Secure four to five metal bangles by sticking tape on two sides securely. This will give the new bangle. *Cut the embroidery thread with scissors.

*Put glue to the bottom of the bangle on the place where secured with tape.

*Now put the threads on top of it.

*Stick the embroidery thread and start rolling it along the bangle till a particular length.

*Insert glass beads in contrasting colours and again roll the thread. Securely the glass bead is tied in centre of the bangle

Again roll over the thread for the same length and insert a bead.

*Continue this process till the whole bangle gets completed.

*Cut off extra threads if any and finish the bangle. Alternatively instead of thread, lace or ribbons can also be used in a similar fashion. ■
