

D. K. GOVERNMENT COLLEGE FOR WOMEN

Nellore, Andhra Pradesh- 524003

Autonomous College, College with Potential for Excellence

Re-accredited with "A" Grade by NAAC

INNOVATIVE PRACTICE **EARN WHILE LEARN Programme** **IN** **AQUACULTURE TECHNOLOGY**

Dept. of Zoology Organized **EARN WHILE LEARN** programme of selling Fish Bowls to students and staff of D.K.Govt College for Women(A), Nellore on 19/12/2018 under the guidance of honorable Principal Dr.Ch.Masthanaiah. Zoology dept. takes initiative to make the students self-reliant and develop their creativity and skills.

OBJECTIVES:

- Exploit the immense potential of students as a valuable human resource.
- Involve the students in management and development of the institution.
- Give students hands on experience and thereby prepare them for jobs in future.
- Encourage young students to learn about dignity of labor.
- Prevent students from avoidable distractions and engage them in meaningful, positive activities.

Students of Aquaculture Technology and 6th Semester Aquaculture Cluster students participated in this activity under the supervision of Zoology staff. Students procured fish bowls from Majestic Aquariums, Kolatur, Chennai .Gold fish which were reared and acclimatized to lab conditions and kept ready. Fish feed was purchased at large scale and students packed feed in small pouches to reduce the cost. Students learnt all subject related to Aquarium setup to become Entrepreneurs.

Students managed to set up fish bowl at cost of 70 Rs and Students sold each fish bowl which included two Gold fishes and fish feed along with packing at a nominal cost of 100 Rs per each bowl. Students have invested 4900/- rupees and earned 7000/- and total 2100/- rupees was profit earned by students.

Staff and students buying fish bowls

OUTCOME:

Students who worked with this knowledge gained practical knowledge which would certainly prove to be beneficial when they move out of college. Through this activity students can earn extra pocket money while on the other hand, they are getting work experience and hands-on training while studying.
