DEPARTMENT OF HOME SCIENCE

LET CREATIVITY ROCK THE NEW YEAR 2018

(30-12-2017)

With an objective to develop entrepreneur skills in the students the department of Home Science conducted innovative Greeting Card Exhibition cum sale on 30-12-2017 in the auditorium. Students of Home science prepared 20 greeting cards with an amount of Rs. 400/- and they gained a total of Rs.800/-. Staff and students bought the greeting cards. Some of the staff members ordered for the greeting cards. Students elated while preparing the cards.

MATERIALS USED:

Students made greeting cards with quilling papers, paints, old wedding cards, charts, stickers, colour papers, kundans, white stones, chamki powder, card boards, glue etc.,

ADVANTAGES OF GREETING CARD MAKING:

1. Improves aesthetic sense in students.
2. Enhances the ability of students.
3. Develops finger dexterity.
4. Improves group cohesiveness.
5. Increases good communication skills.
6. Enriches the personality.
7. Attain good Cognitive skills.
8. Encourages team spirit.
