MOCK MANAGEMENT

2018-2019

Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees to accomplish its objectives through the application of available resources such as financial, natural, technological and human resources.

The term “**Management**” may also refer to those people who manage organizations.

In order to inculcate management skills in students department of home science organized “**MOCK MANAGEMENT**” in **room no: 67** by taking the permission from head of institution **Dr.Ch.Masthanaiah** on **04-07-2018 and 05-07-2018**.

The final BSC Home science students arranged different games. The students planned a week before. Students divided themselves into 7 groups of each two and were entitled as

1. Planner – Ravali, Divya
2. Organizers – Venkatalakshmi, Sahitya
3. Controller – Afroz bhanu, Sucharitra
4. Delegators – Gowtami, Sravani
5. Coordinators - Lavanya, Obulamma
6. Supervisors – Snigdha, Hajji
7. Evaluators – Prathusha, Mounika

The games arranged were intimated to the college students and the staff through circular. The students kept an entry fee of RS 5/- for students and 10/- for staff.

The students efficiently managed the staff and students and earned an amount of RS 1200/-. The games picturized were

1. Kannikattu Kannipettu
2. Celeste star
3. Hitting the target
4. Riddles
5. Fry the chitram try the padham
6. Tongue twisters
7. Dekho aur bolo
8. Aayne mey tara

Kannikattu kannipettu :-

In this game the organizers painted a picture and made sticky balls. The subject is given a time of 5 min to observe the picture. The organizers knotted the eyes of a subject with a piece of cloth. The organizers given a task to stick the balls on particular spot in the picture.

Celeste star:-

In this game the students collected the pictures of heroines of about 40. The pictures were pasted on the cardboard. They were given a number. The subjects were given a time of 5 minutes to see and memorize. After that the organizers will ask a number, the subject should tell the name of the star in that number. The subject who tells the answer will get a chocolate.

Hitting the target:-

The target chart was prepared with 4 divisions.

1. Goal
2. Family
3. Friends
4. Love

The participant should tell the desired divisions and they will be given 3 chances to hit the wished one. If the participant succeeded in hitting the desired one he or she will get a chocolate.

Riddles:-

Riddles were prepared in a colorful and beautiful book. The numbers were written in a piece of papers and kept in a bowl.

The participant should choose the number by picking a slip. The participant is asked riddle according the number in the slip.

Fry the chitram try the padham:-

In this game the students prepared a box on which two pictures were posted. The subjects were asked to combine those pictures and should come up with a new word.

Ex:- In a picture there is milk and road. The subject should tell it as Milky Way.

Tongue twisters:-

In this game the organizers kept a beautiful and colorful card. The organizer asked to pick any one of the card to the subject. In that card there are 3 tongue twisters and subject is asked to select any one number. The subject should repeat it for 30 seconds without any fail. The winners get a chocolate.

Dekho aur bolo:-

In this game the subject have to identify the name of the movie whole the other person is lipsing it.the subject is supposed to wear ear phones in which he/she will be hearing a song with loud music.

Aayne mey tara:-

Aayne mey tara:-

In this game the students have a paper which has a star on that paper and placed a mirror opposite to the paper. The subjects should draw the star on the paper by observing it through mirror with the left hand.

The students enjoyed the program very well. They discharged their duties in a fantastic way. They learned the skills of management. The program was carried out for 2 days. The staff gave their feedback and they also enjoyed very well.

The department of Home Science expressed sincere gratitude to the principle of the college Dr.Ch.Masthanaiah garu for extending his support and encouragement in conduction of the program.
