Women's EXPO 2021 -2022

On the occasion of International Women's day celebrations on 8th March 2022 , a Women expo has been conducted as an innovative practice on 5-3-22 and many of the students and staff of the college participated and exhibited and sold many things like fancy items, Jute bags, fabric Handy crafts, food items etc. The purpose of this expo is to raise awareness of **Earn while Learn** among stake holders.

A huge display of tremendous enthusiasm with creativity was showcased. Mesmerizing items were sold. There was a tremendous response among the students and staff .Over all spectacular showcase of talent was exhibited. This Women's expo has created unique opportunities in students.

This expo has created a meaningful impact in celebrating women by building connections and business opportunities with a wide range of prospects.
